2 In accordance with the above resolution, the President, Koppa Municipality, submitted a proposition statement, which was returned for resubmission with the considered views of the Municipal Council agreeing to give effect to the revision of scales of pay with effect from 1st January 1947 so that it might be in uniformity with other departments and in fairness to the employees.

3. The Minor Municipal Council, Koppa, have passed a resolution on the 5th April 1949 agreeing to the suggestions made in my letter of even number dated 21st March 1949 and their final proposals are incorporated in the revised proposition statement enclosed in the records. A lumpsum provi-sion of Rs.2000/- is made in the sanctioned Budget of the Municipality for the current year to meet the expenditure connected with the arrears of pay due to the revision of scales of pay. The expenditure over and above the Budget Provision will be met from the closing balance of the Municipality as resolved by the Munici-pal

by the Municipal Council.

Under the above circumstances, I request you kindly to obtain the early sanction of Government to the above proposal, as the employees of the Municipality are urging for the payment of enhanced rate of pay, arrears of pay etc at an early date.
